FROM: Richard K. Willard
Deputy Assistant Attorney General

RE: Testimony Regarding Polygraph

I have been designated to represent the Department of Justice at hearings before a subcommittee of the House Government Operations Committee on October 19, 1983. The hearings are expected to focus on use of the polygraph and prepublication review.

Enclosed is a rough draft of that portion of my prepared statement regarding the polygraph. DOD has requested that we make such a comprehensive statement on this matter and the NSC staff agrees.

I am circulating this rough draft now in order to solicit your substantive comments. A more polished version of the prepared statement will be submitted to OMB for formal clearance next week.

It is essential that I have any comments on this draft no later than Friday, October 7. In addition, I have scheduled a meeting to discuss these issues at 3:00 p.m. on Friday, October 7, in Room 6744, at the Department of Justice. You are invited to attend or send a representative.
